Introduction for Youth Survey Questionnaire:

Hello, I'm (NAME) from the National Opinion Research Center at the University of Chicago. We'd like to talk to you once again about your recent work experiences and education, and this year we have some new questions on family life. The interview is generally shorter than in previous years, and you will receive $10 in appreciation for your time.

[(READ IF NECESSARY) In order that your answers to our questions are not biased by anyone else's presence, it is necessary that we conduct the interview in private.]

This study is sponsored by the U.S. Department of Labor, under authority of the CETA Act, Public Law 95-524, as amended. The purpose of the survey is to conduct research on the education, training, and work experiences of youth in order to help solve youth's employment and unemployment problems. Your participation is vital to the success of the study, but is voluntary. Failure to respond will not have any effect on rights, benefits, and privileges under Federal programs. All the information you give will be protected under the Privacy Act of 1974. This means that your answers will be kept strictly confidential. Results of the study will be made public only in summary or statistical form so that individuals who participate cannot be identified.

NOTICE: ALL INFORMATION THAT WOULD PERMIT IDENTIFICATION OF RESPONDENTS OR THEIR HOUSEHOLDS WILL BE REGARDED AS STRICTLY CONFIDENTIAL, WILL BE USED ONLY FOR RESEARCH PURPOSES AND WILL NOT BE DISCLOSED OR RELEASED FOR ANY OTHER PURPOSE WITHOUT PRIOR CONSENT, EXCEPT AS REQUIRED BY LAW.
