ROUND FOUR,

Youth Survey, 1982

Introduction for Youth Survey Questionnaire:

Hello, I'm (NAME) from the National Opinion Research Center at the University of Chicago. As you may remember, a year ago one of our representatives came to ask some questions. As we said last year, we would like to interview you each year for the next several years so that we can see how young people are doing. The purpose of the survey is to conduct research on the education, training, and work experience of youth in order to help solve youth's employment and unemployment problems. We are collecting this information nationwide for the U.S. Department of Labor under the Comprehensive Employment and Training Act, Public Law 95-524, as amended. I would appreciate it very much if you would take some time to answer some questions about yourself, mainly about your schooling and work. We will pay you \$5 for your time.

Your participation in this survey is completely voluntary. Failure to respond will not have any effect on rights, benefits, and privileges under Federal programs. All the information you give will be protected under the Privacy Act of 1974. This means that your answers will be kept strictly confidential. Results of the study will be made public only in summary or statistical form so that individuals who participate cannot be identified.

NOTICE: ALL INFORMATION THAT WOULD PERMIT IDENTIFICATION OF RESPONDENTS OR THEIR HOUSEHOLDS WILL BE REGARDED AS STRICTLY CONFIDENTIAL, WILL BE USED ONLY FOR RESEARCH PURPOSES AND WILL NOT BE DISCLOSED OR RELEASED FOR ANY OTHER PURPOSE WITHOUT PRIOR CONSENT, EXCEPT AS REQUIRED BY LAW.
