
The Color Card

As you know, human beings display a wide variety of physical attributes. One of these is skin color.

A question in the Interviewer Remarks section of the interview asks you to rate the skin color of each respondent on a scale of 1 to 10, where 1 is the lightest possible skin color (such as that of an albino) and 10 is the darkest possible skin color.

Please rate the skin color of ALL respondents upon the completion of the interview, be they of European, Asian, Latin American, or African origin. It is very important that we obtain this information for everyone, not just those of obvious African ancestry.
